MARATHON**

**Road Runner Akron Marathon
Goodie Bag Program**

The *Road Runner* Akron Marathon Goodie Bag Program is a great way to get information on your goods and/or services in front of potential customers. It is also extremely cost effective – just \$400 to reach all of the participants in this event! The *Road Runner* Akron Marathon will stuff 12,250 Goodie Bags and distribute them to all registered marathoners, half marathoners and relay team members. Goodie Bags contain items that are typically of interest to runners, regarding health and fitness. These items could include a flyer, brochure, coupon, and pamphlet or product sample. The date of the race is Saturday, September 25, 2010. Please ensure perishable samples or coupon expirations are within code on that date.

All items to be stuffed in the Goodie Bags must fit within certain size specifications. If the item is a paper publication, it should be 8.5" x 11" or less in size. If you have questions about product sample sizes, please contact Carrie Gobrogge, Director of Runner Services at (330) 375-2786 or via e-mail at cgobrogge@akronmarathon.org.

The Goodie Bag Program requires that one (1) sample of the item be sent for pre-approval on or before **July 26, 2010**, in order to participate. **All 12,250 items MUST be received by August 6, 2010.** Please mail a copy of this form with your payment.
