New in 2016

Start Line Walk Up
Runners will line up in their assigned corrals. Those in corral A, including elite and seeded runners, will start at 7:00 a.m. Once corral A clears the start line, corral B will walk up for their starting commands. Once corral B clears the starting line, corral C will be walked up for their start.

New Gear Check Location
To enhance the safety of runners and volunteers, gear check drop-off and pick-up will be located at one central location across the street of the main gates of Canal Park on the corner of Main Street and Buchtel. Relay legs 4 and 5 will drop off their gear bags at the start of their respective relay legs and pick-up their gear bags at the new location on the corner of Main Street and Buchtel. All items must be placed into the provided clear FedEx Custom Critical bags available at the Expo. Attached to the side of your race bib you will find your gear bag identification tag. Remove the tag from your bib and adhere the tag to the top of your gear bag. For additional information see page 4.

Hero Zones Along the Course
Through our partnership with Akron Children’s Hospital, there will be 24 young patient heroes that will be highlighted in specially designated ‘Hero Zones’ along the 2016 race course. Meet the heroes at marathon.akronchildrens.org and get inspired to ‘do something super!’ These children are our real-life superheroes and we are proud to celebrate their victories as well as yours on race day!

New Gel Along the Course
Gel stations at mile 7.4, 15.5, and 23.2 will have chocolate and strawberry flavored Clif Shot gels. These gels will be available in either open or closed packets.

Free Race Photo for Every Half and Full Marathon Participant!
MarathonFoto will be the official race photographer for the 2016 race. Every full marathon and half marathon participant will receive a free on course photo from the race. Photos can be viewed at Marathonfoto.com

New Recovery Drink at the Finish Line
All finishers will receive BODYARMOR sports drink as part of the post-race recovery fuel. BODYARMOR sports drink blends electrolytes, antioxidants, and vitamins to provide your body with superior nutrition and hydration with no artificial flavors or sweeteners.

Race Series Medal Distribution
Those who completed each of the 3 races in the Akron Children’s Hospital Akron Marathon Race Series can receive their series medal in the runner only section of the concourse after you exit the field. There will be volunteers who will validate completion of all 3 races in order to receive your medal. If a runner did not finish all 3 races, they will not be able to receive the series medal as these are only for participants who completed all 3 races.

South Main Street Activities
There are many exciting things happening on South Main Street, just outside the stadium. On South Main Street you will be able to purchase official race merchandise, get your medal engraved with your finishing time, and visit the Recovery Zone. Visit the Brooks Run Signature trailer for a free gait analysis and to win prizes. Runners and spectators can also purchase a post-race snack from the Swenson’s food truck.

Recovery Zone
After you finish your race, stop by the Recovery Zone to use the provided foam rollers and bands to stretch out post-race. Volunteers will be on-site to help those unfamiliar with using these recovery tools.

Security
The following precautions are taken each year to protect our participants, spectators and volunteers. Below are a few points to be aware of:
* Backpacks are highly discouraged and all bags are subject to be searched in all race areas along the course.
* The provided clear FedEx Custom Critical Gear Bags will be the only bags collected at Gear Check.
* The Start Line and Finish Line will have athlete only areas. Non-participants will not be permitted in these areas which include the Start Line corrals and the Finisher Festival at the Finish Line.
* NO FAMILY RUN-IN AT FINISH LINE – Only athletes are permitted on the race course, including crossing the Finish Line. This is for the safety of all athletes, spectators, and race officials.
* NO FIREARMS ALLOWED

Parking

Free parking, at designated city decks and lots, is available throughout downtown on race day. See directions on Page 21 and map on Page 22 for detailed event-specific parking guide. It is advised to follow the race bib color coded parking guide to enhance traffic flow and reduce confusion race morning. It is recommended to be in downtown prior to 6:00 a.m. due to street closures starting at this time.

Race Number / Bibs

Your race bib serves as your identification for the race. Participants must pin the bib on the front of his or her shirt. Safety pins will be provided at the Expo, as well as at the Start Line Information Booth and at the Relay Exchange Zones. It is imperative that the registration data associated with your race number does, in fact, belong to you, the participant. While it may seem harmless to run under an unauthorized number, it does convey serious consequences to the organizers and participant field alike. Correct information allows medical staff to identify participants in need of treatment and ensures accuracy of race results and awards. For those participating in either the Marathon or Half Marathon your race bib contains your timing chip which is a disposable timing system for accurate timing and scoring. Please take care not to bend or cut your race bib, in doing so you may damage your timing device. You will not need to remove the tag from the bib to put on your shoe. The timing device remains on your bib. Official time is based on Gun Time in accordance to USATF rules. See bib layout on page 13.

ChronoTrack Timing System

Marathon and Half Marathon runners will have their timing device within their bib (B-tag) rather than the D-tag which gets attached to the shoe. This means your chip timing system is a part of your bib rather than a tag placed on your shoe. Make sure your bib is placed securely on the FRONT of your shirt. Relay runners will utilize the D-tag which features a removable strip on the runner’s bib that should be peeled off and attached to your shoe before the race. The tags will register your time when you pass over the timing mat at the finish of your relay leg. All runners must attach their timing tag to their shoe prior to starting their leg of the race. Make sure the number on the D-Tag is facing up forming the letter “D” and do not flatten. Do not cross the Finish Line or any timing mat twice. Official time is based on Gun Time in accordance to USATF rules.

Start Line Corral System

To improve the race day experience for all participants corral assignments have been instituted for the race. There will be 5 corrals in which runners will be staged for the start of the race. The corrals will be assigned based on information collected during registration. Corral assignments will be indicated on each participant's race bib by a letter on the bib. Entrances will be accessed at the rear of each corral and will be open to race participants only. Entrances will be monitored and correct placement will be enforced. On race day, participants will not be able to move forward to another corral. However, they will be permitted to move backwards if they feel that is a better option for them or would like to start with another participant. If a participant would like to move up a corral they must visit the Pace Team Booth at the Expo and provide justification for their request. In an effort to allow all 5 corrals to run at their desired pace sooner, we will release each corral separately while walking up the next corral for their own separate start. Since all runners’ times begin when they pass over the Start Line timing mats, this adjustment will not affect the final race time or place in the race. Please review the Start Line map on page 14.

New Gear Check Location for 2016!

Gear check drop-off and pick-up has been moved to one central location for 2016. Gear Check will be located at the intersection of Main and Buchtel across from the main gates of Canal Park. Runners can place their extra clothing and items not needed on the race course in the provided clear gear bags to be dropped off at the new Gear Check location or at the start of relay legs 4 and 5. Look for the tall flags labeled “Gear Check”. The clear gear bags will only be available at the Health and Fitness Expo at the FedEx Custom Critical Expo Booth. Attached to the side of your race bib, you will find your gear bag identification tag. Remove the tag from your bib and adhere the tag to the top of your gear bag. Relay bags will be delivered from the start of relay legs 4 and 5 to the Gear Check tent located at the corner of Main and Buchtel. Items must be picked up day of race by 1:00 p.m. Any unclaimed bags will be donated to a local charity two weeks after the race. If you would rather discard your items at the Start Line, donation boxes will be available and items will be donated to a local charity.
Course Details

Course Information
The course is a certified USATF sanctioned course #OH144073MW and your time may be used as a qualifier for the Boston Marathon. The entire race is run on paved asphalt and concrete streets.

Course Limit
The Marathon course is officially open for six hours from 7:00 a.m. to 1:00 p.m.; equivalent to approximately 13:44 per mile marathon pace. Marathoners, and third leg relay runners, should be at mile 12.5 (corner of Main and Market) by 10:05 a.m. in order to be on course closing pace. The half marathon route will remain open for three and a half hours, equivalent to a 16:02 per mile pace. Runners slower than this pace will be asked to move to the sidewalk or board the SAG – six-hour pace vehicle. The Finish Line, medical aid stations and fluid stations will remain open for a six-hour pace and close on schedule. Runners are responsible for knowing the course. Please review the course map on page 16.

SAG – 6-hour pace vehicle
The SAG vehicle will travel at the course closing, six hour, pace and will pick up runners along the route and at aid stations, who choose to discontinue the race or fall behind pace (under non-medical circumstances). The SAG Bus will follow the half marathon route until the split at Market/Main then catch up to the marathon course closure pace ultimately ending at the Finish Line inside Canal Park Stadium.

Clocks & Mile Markers
Mile Markers will be highly visible at each mile. Clocks and Kilometer markers are located every 5K, from 5K - 40K to assist runners in gauging their progress.

Color Coded Directional Signs
As you approach all Relay Exchange Zones, the split for the Half Marathon and at the Finish Line you will see color coded signs that match your bib color. Please stay to the side of the road that corresponds to your bib color for a hassle-free transition through these critical points.

Entertainment Along the Course
The entire Akron community has been invited to cheer on runners along the course. There will be course entertainment throughout the 26.2 mile race course. Watch for Hero Zones, live bands, pep bands, block parties, cheerleaders and energetic fluid stations.

Restrooms
Portable restrooms, each with Purell hand cleaner, will be available at 18 locations throughout the course, including the Start and Finish Lines, fluid stations, Relay Exchange Zones, and relay bus loading area. Of those restrooms, half will be designated for women and equipped with tampons.

Energy Gel
Clif Shot gels will be provided at 3 stations located at the 7.4, 15.5, and 23.2 mile points. Each of these locations is approximately 500 feet before a fluid station. Chocolate and strawberry Clif Shot gels will be available and you will have the option to take your gel packet either opened or closed. Runners that require energy gel earlier or at different times should plan to be self-supported. Energy gel on the race course is intended for those that engage in 1-hour or more of physical activity and is therefore reserved for marathoners and half marathoners only.

Fluid Stations
There will be 17 fluid stations throughout the race course supplying lemon lime POWERADE and water to runners. As you approach a fluid station, water will be available first followed by POWERADE. Additionally, fluids will be distributed at the Start and Finish Lines. We do not recommend taking food or fluids from non-official locations.

Medical Aid Stations
There will be 10 aid stations available to runners throughout the race course. Additionally, there will be an aid station at the Start and Finish Lines, as well as on the concourse at Canal Park. Summa Health will coordinate all medical assistance during this event. For your safety, it is important to print any specific medical needs on the reverse side of your race bib. Medical stations will be equipped to assist runners with any basic medical needs and will also have a supply of Band-Aids and Vaseline if needed. There will be NON-MEDICAL aid shuttles to transport runners, who choose not to continue the race, from the aid tents back to the Finish Line. For medical emergencies, an ambulance will be called to transport the runner to a local hospital. Course marshals will be positioned approximately every mile if you need to alert someone that you need immediate medical assistance while on the course. NSAID’s (Non-Steroidal Anti-inflammatory Drugs such as Advil, Aleve, Ibuprofen, etc.) will NOT be provided at the aid tents. NSAIDs, especially in a dehydrated runner, can adversely affect the kidneys and can increase the risk of hyponatremia (low blood sodium). Tylenol will be available.

Located at each aid station, as well as each Relay Exchange Zone, there will be a color-coded flag system to update participants on the course alert level. Please see chart for details.
Prohibited on the Race Course
For the safety of our runners, the Akron Marathon does not permit: pets, skateboards, strollers, bicycles, roller blades, or any other types of vehicles (other than official Marathon vehicles) on the course. Please do not bring or carry any of these items with you. The Akron Marathon reserves the right to disqualify and remove anyone from the course who has any of the above items or does not act in a safe manner. All participants agree to abide by and accept the rules of this race and abide by any decision of any race official concerning the runner’s ability to safely complete the race.

Unauthorized Runners
Non-registered runners are not permitted to run or walk within the boundaries of the official marathon course. It is important that family and friends NEVER cross the Finish Line or enter the finish zone which begins approximately 2/10 mile before the finish. Course monitors and police will be stationed throughout the course; assuring only registered runners are on the course. Please be sure your race number is visible from the FRONT at all times during the race.

Drug Policy
Athletes who participate in this competition may be subject to drug testing by the United States Anti-Doping Agency (USADA) in accordance with the IAAF Procedural Guidelines for Doping Control or the Olympic Movement Anti-Doping code. Any substance taken by an athlete is at his/her own risk and may result in a positive sample. Information on drugs and drug testing may be obtained by calling the USADA Drug Reference Hotline at 800-233-0393 or visiting the USADA website.

Lost & Found
All items left at the event will be taken to the Information Booth located in Canal Park Stadium. After the race any unclaimed items will be transported to the Akron Marathon office. Please call the office at (330) 434-2786 to inquire about lost items. Unclaimed items will be donated to a local charity after October 10th. The Akron Marathon is not responsible for lost items.

Pace Teams
The Akron Marathon is providing an additional benefit for the Marathon, Half Marathon up to mile 12.5, by offering pace teams led by experienced pacers for the following times: 3:05, 3:10, 3:15, 3:25, 3:30, 3:35, 3:40, 3:45, 3:55, 4:00, 4:10, 4:25, 4:40, 4:55, 5:00, 5:10, 5:25 and 6:00 (times include many of the Boston qualifying standards). The pace leader runs a steady pace and keeps track of that pace so the group can achieve their goal of finishing the marathon at a particular time. Pace leaders are experienced runners that have run several marathons around the country. There is no cost to run with the pace group. Visit the Pace Team booth at the Expo to sign up or find the pace groups at the Start Line before the race.

Information Booth
For our runners’ convenience, Information Booths will be located throughout the event. Booths will be clearly identified. Information Booths can be found at the Health and Fitness Expo, Start Line and Finish Line.

Spectator Information
The Akron Marathon will start at 217 S. High Street at 7:00 a.m. With a downtown start, spectators have great opportunities to see the runners from various points that require very little walking.

- Start watching the race north of the Start Line located at 217 S. High Street.
- After the start, walk one block east to Broadway and head south to University. Here you'll be able to see runners just after mile 6.
- Head south on Broadway to Exchange St; to see runners at mile 8.
- Walk one block west to the west side of High Street to see the runners come back through the Start Line near mile 12.
- Walk one more block west to S. Main Street and enter Canal Park Stadium. Head to the Family Reunion Area, sections 1-5, for a great view of the Finish Line and wait for your family and friends to rejoin you here. *Spectators are not permitted into the runners only area starting in section 19.

Runner Tracking / Live Updates/ Results
Visit akronraceseries.enmotive.com/results to get live updates of Full Marathon, Half Marathon, or Relay Teams on race day. As runners cross over timing mats, located at various points along the course, updates will be posted on the results page. On each race bib there is a QR code for quick access to results post-race.

Half Marathon
The Half Marathon will start at 7:00 a.m. at 217 S. High Street (the same time and location as the Marathon). The Half Marathon course runs the established marathon route up to the 12.5 mile mark, located at the intersection of Market and Main. Here, the Half Marathon will turn left heading southbound on Main. Half Marathon runners should be at mile 12.5/Market St. by 10:40 a.m. in order to be on course closing pace. Runners will be notified of the Half Marathon turn off via signage. Half Marathon runners will turn left into the northbound lanes on Main St., Relay and Marathon runners will stay straight on Market St. Runners will be clearly directed on a closed course and have the same Olympic style finish in Canal Park Stadium as the marathon runners. The Half Marathon route will remain open for three and a half hours, equivalent to a 2:30 per mile pace. See the course map on page 17 for further details.
Finish Line

Canal Park Stadium / 300 S. Main Street

Finisher Festival
As you cross the timing mat at the Finish Line, your timing device will automatically record your time. Once you finish the race you will follow the warning track to Home Plate where you will receive your water. From Home Plate, you will proceed toward Third Base where your finishers’ medal will be presented to you. Marathon and Half Marathon runners will receive their finisher’s gift and be wrapped in a Heat sheet to keep warm. Next, you will have the opportunity to have your official finishers’ photo taken. All runners will receive a slice of Papa John’s Pizza located on the field. Snacks and beverages will be located at the food tent in the outfield. Once you have your food, stop by the Michelob ULTRA beer garden and enjoy your refreshments as you stretch on-field and enjoy the post-race entertainment. Portable restrooms will be located along the outfield back wall. Please be aware the Finisher Festival is a celebration for runners only, spectators will not be allowed in this area. Please make plans to meet your family and friends in the Family Reunion area located in sections 1-5. See Finish Line map on page 15.

Exit and Entry Points into Finisher Festival
All relay runners and participants wishing to re-enter the Finisher Festival can enter the runner-only area by utilizing the Diamond Boardwalk (back concourse) located on S. Main Street just south of the Canal Park’s main entrance. Runners must present their bib to have access to this area. No spectators will be allowed in the Finisher Festival area which begins at the entrance of the Diamond Boardwalk. Please note you will not have access to the field from the main entrance to Canal Park, you must enter through the runner only entrance located at the Diamond Boardwalk.

South Main Street
On South Main Street you will be able to purchase official race merchandise, get your medal engraved with your finishing time, purchase a post-race snack from the Swenson’s food truck and visit the new Brooks Run Signature trailer. Also on the corner of Main St. and Buchtel, across from the main gates of Canal Park, you will find Gear Check and a Recovery Zone with provided foam rollers and bands to stretch out.

Medal Engraving
Get your Akron Marathon medal engraved near the main entrance of Canal Park Stadium. Use the QR code on your race bib for downloading your official finishers’ photo. All photos will be available online after the marathon. Photos will be taken along the race course. A photo capturing your finish as well as a photo with your medal will be taken by MarathonFoto, the official marathon photographer. Proofs of these photos will be available online after the race at www.marathonfoto.com. There will be a charge for these photos only if you choose to purchase them. One free on-course photo will be available to every full and half marathon participant.

Information by Relay Leg

Relay Leg 1
- Remember to pick up your relay slap bracelet during the Expo located at packet pick-up.
- Recommended parking location for first leg runners is the University of Akron parking deck on Exchange St. For additional parking locations see pages 21 & 22.
- Finisher fluids will be located in the parking lot of the John S. Knight Center.
- Gear bag drop off and pick up is located in the parking lot on the corner of Main Street and Buchtel.
- Walking directions back to the stadium for the Finisher Festival where you will receive your pizza, snack bag and beverages: The Finisher Festival is located at 300 S. Main Street on the field at Canal Park Stadium. Get your finisher fluids in the parking lot at the John S. Knight Center. Travel south on Broadway and make a right onto Buchtel Ave. Here you can pick up your gear bag and continue to Main Street to the Diamond Boardwalk entrance of Canal Park, just south of the main entrance. Signage will direct you to the Finisher Festival to receive your post-race food and beverages. Please note you will need your bib to enter the Finisher Festival. When the last team member crosses the Finish Line the team will be awarded their medals. All five medals will be given to the finishing relay runner who is then responsible for handing them out to the other team members.

Relay Leg 2
- Recommended parking location for second leg runners is the University of Akron parking deck on Exchange St. For additional parking locations see pages 21 & 22.
- Gear bag drop off and pick up is located on the corner of Main Street and Buchtel.
- Finisher fluids will be located in the parking lot of the Howe House at the end of the corrals.
- Walking directions back to the stadium for the Finisher Festival where you will receive your pizza, snack bag, and beverages: The Finisher Festival is located at 300 S. Main Street on the field at Canal Park Stadium. Get your finisher fluids located just past the end of the corrals and continue down Exchange to Main Street turn left on Main Street and travel north to the Diamond Boardwalk entrance of Canal Park Stadium which is just south of the main entrance. Signage will direct you to the Finisher Festival to receive your post-race food and beverages. From this finishing location you can also access the field by entering through the back entrance onto the Diamond Boardwalk into the stadium by utilizing the bridge located at the back of the Howe House parking lot past the corrals. Please note you will need your bib to enter the Finisher Festival. When the last team member crosses the Finish Line the team will be awarded their medals. All five medals will be given to the finishing relay runner who is then responsible for handing them out to the other team members.

Relay Leg 3
- Recommended parking location for third leg runners is the Opportunity Parking deck. For additional parking see pages 21 & 22.
- Gear bag drop off and pick up is located on the corner of Main Street and Buchtel.
- Your finishers' fluids will be located in the parking lot at Firestone High School.
- Once you have completed your leg and received your finisher fluids make your way to the shuttle busses located on Rampart. These shuttles will drop runners off in the Spaghetti Warehouse parking lot on S. Main Street. From there, walk north on Main Street 2 blocks to the Diamond Boardwalk entrance of Canal Park, just south of the main entrance to the stadium where you can join the Finisher Festival and receive your post-race food and beverages. Please note you will need your bib to enter the Finisher Festival. When the last team member crosses the Finish Line the team will be awarded their medals. All five medals will be given to the finishing relay runner who is then responsible for handing them out to the other team members.
Relay Leg 4
- Recommended parking location for fourth leg runners is the Opportunity Parking deck. For additional parking see pages 21 & 22.
- It is advised to use the shuttle service provided to your Exchange Zone. You can locate the shuttle service at the Spaghetti Warehouse Parking lot, 510 S Main Street, 2 blocks south of Canal Park/Finish Line. The shuttle departure times begin at 7:15 a.m. and end at 9:30 a.m.
- Your gear bag collection will be staged on Rampart at the start of relay leg 4. Your gear bags will be transported back to the Gear Check tent on the corner of Main Street and Buchtel, across from the main gates of Canal Park, free of charge.
- When you finish, receive your finisher fluids and make your way to the return shuttle buses staged on Wallhaven across the park from the corrals. These shuttles will take you back to the Spaghetti Warehouse parking lot. From there walk 2 blocks north to the Diamond Boardwalk entrance to Canal Park where you can join the Finisher Festival and receive your post-race foods and beverages. Please note you will need your bib to enter the Finisher Festival. When the last team member crosses the Finish Line the team will be awarded their medals. All five medals will be given to the finishing relay runner who is then responsible for handing them out to the other team members.

Relay Leg 5
- Recommended parking location for fifth leg runners is the Children’s Hospital Deck. For additional parking see pages 21 & 22.
- It is advised to use the shuttle service provided to your Exchange Zone. You can locate the shuttle service at the Spaghetti Warehouse Parking lot, 510 S Main Street, 2 blocks south of Canal Park/Finish Line. The shuttle departure times begin at 7:30 a.m. and end at 10:30 a.m.
- Your gear bag collection will be staged on Wallhaven where the shuttles will drop you off. Your gear bags will be transported back to the Gear Check tent on the corner of Main Street and Buchtel, across from the main gates of Canal Park, free of charge.
- As you finish in the stadium you will receive your finisher fluids, all five relay medals to distribute to your team members, your post-race food and beverages. You may stay on the field and get your team photo taken and enjoy the post-race entertainment.

Transportation to Relay Exchange Zones
The first runner should report to the Start Line at 217 S. High Street. Free parking is available at designated city surface lots and parking decks downtown. (See parking map on Page 22.) There is no shuttle service to relay legs 2 or 3. The second and third runners are responsible for arriving at their Relay Exchange Zones. See walking directions below and downtown Akron map on page 19.

Walking Directions to Relay Leg 2
- From the Start Line: Walk North on High Street to Bowery. Turn right (East) onto Bowery and go one block. Turn left (north) on Broadway and walk two blocks. The Exchange Zone is located on Broadway between Mill St. and Market St.
- From Canal Park Stadium: Walk North on S. Main Street two blocks. Turn Right (east) on Bowery and go two blocks. Turn left (north) on Broadway and walk two blocks. The Exchange Zone is located on Broadway between Mill St. and Market St.

Walking Directions to Relay Leg 3
- From either Canal Park Stadium or the Start Line: Runners should travel south to Exchange Street then turn right (west). Continue on Exchange to Water St., just past Canal Park. The Exchange Zone is located on Exchange St. between Water and Bowery.

Relay Shuttle Service (Runners Only)
Relay legs 4 & 5 are encouraged to PARK DOWNTOWN EARLY and take the FREE shuttle to their Exchange Zones. Shuttles are located at the Spaghetti Warehouse Parking lot, 510 S. Main Street, 2 blocks south of Canal Park.
This is the fastest and most efficient way to get to the Relay Exchange Zones. There will also be shuttles that will return finishing relay legs 3 and 4 back to the Spaghetti Warehouse parking lot to take the short walk 2 blocks North to Canal Park/Finish Line. Feel free to arrange your own transportation to or from relay legs 2, 3, 4, or 5; however, we strongly encourage use of this shuttle system, as driving and parking are extremely limited in some areas. See Downtown Akron Map on page 19 for the Relay Shuttle pick-up / drop-off areas.

Relay Shuttle Departure Times
Downtown Akron to Relay Legs
- Spaghetti Warehouse to Relay leg 4 (Firestone High School)
  7:15 a.m. – 9:30 a.m.
- Spaghetti Warehouse to Relay Leg 5 (Hardesty Park)
  7:30 a.m. – 10:30 a.m.

Finish of Relay Leg back to Downtown Akron
- Relay leg 3 (Firestone High School) to Spaghetti Warehouse 8:30 a.m. - 11:00 a.m.
- Relay leg 4 (Hardesty Park) to Spaghetti Warehouse 9:15 a.m. - 12:15 p.m.
There is NO shuttle service to the start of relay legs 1, 2, or 3 or from the finish of relay legs 1 or 2 as it is only a short distance from Canal Park (approximately .5 mile). Departure times are dependent upon maximum occupancy of the shuttles. Return shuttle service times vary and the stated times above are estimated times. Due to many race related factors, we cannot guarantee that you will arrive at the Finish Line inside Canal Park at any specified time.
FedEx Custom Critical Gear Service / Relay Departure Schedule
Your gear bags will need to be placed in the FedEx Custom Critical trucks, located at the Exchange Zones for relay legs 4 and 5, before the times listed below to be transported back to Gear Check located on the corner of Main St. and Buchtel, across from the main gates of Canal Park. Relay legs 1, 2 & 3 can drop off and pick up their gear bags inside the Gear Check tent on the corner of Main St. and Buchtel.

- Relay Leg 4 (Firestone High School) 10:15 a.m. and 11:00 a.m.
- Relay Leg 5 (Hardesty Park) 10:30 a.m. and 11:45 a.m.

Relay Participant Numbers/Bibs
Each participant in the relay will receive his or her own race bib. All five team members will have the same bib number in the 5-Person Team Relay. Additionally, relay participants will have a second bib that must be attached to the BACK of the shirt, denoting them as relay participants. You do not need to indicate which leg you are running ahead of time, your timing device will be able to tell race officials which leg you ran.

Slap Bracelet
The first runner will be given a slap bracelet to be worn on the wrist. The relay runner running the first leg must pick up a slap bracelet at the Relay Registration Area at the Expo. If you forget or lose your bracelet there will be extra available at the Start Line Information Booth. At each Relay Exchange Zone, the incoming runner will pass the slap bracelet to his or her team member. No relay member can leave for his or her relay leg without wearing the slap bracelet. The final team member must have the slap bracelet at the Finish Line to qualify for team awards.

Relay Team D-Tags
Each member of a relay team will have his or her own timing D-Tag. THERE WILL NOT BE A TRANSFER OF TAGS. As one member crosses the timing mat at the Relay Exchange Zone, the next person’s D-Tag will begin keeping the time. The final relay time will be reflected with the fifth leg runner finishing the relay. Relay participants must not cross any timing mats before his or her leg. Do not cross any timing mat other than the finishing mat corresponding with your relay leg. To be a valid finisher in the team relay, participants must cross the Finish Line with the D-Tag attached to their shoe and your team slap bracelet. No D-Tag or slap bracelet will result in race disqualification without an official time.

Arriving at the Relay Exchange Zone
Upon arriving at your assigned Relay Exchange Zone, proceed to the numerical staging area as instructed by a race volunteer. You must remain in the staging area until you begin your leg of the relay. Spotters will be calling out the last three numbers on your bib as your teammate approaches the Exchange Zone. PLEASE KNOW YOUR BIB NUMBER. Runners are encouraged to take their own bottled water.

Relay Exchange Zone Procedures
As you approach a Relay Exchange Zone at the end of your leg, you will be directed to run over a timing mat. This will provide a split time for each relay team member. NO D-TAGS WILL BE TRANSFERRED. Be sure the next runner does not cross this mat at any time. Continue for a short distance beyond the timing mat where race volunteers will assist you in finding your teammate and exchanging your slap bracelet. With the exception of the first leg runner, the outgoing runner will NOT go over a timing mat at the start of his or her leg, but only at the completion of their leg. Upon finding your relay member, exchange the slap bracelet and clear the race course so as not to interfere with incoming runners. Once you finish your leg, you must exit the race course. If there is more than one team member on the course at a time there will be an error in your team’s race results which could lead to a disqualification. If a relay team member drops out of the race the remaining team members will be able to complete the marathon relay, but the team will be officially disqualified from any prize winnings.

Entrance to Finisher Festival at Canal Park Stadium
All relay runners and runners wishing to re-enter the Finisher Festival can enter the runner-only area by utilizing the Diamond Boardwalk, back concourse, located on Main Street just south of Canal Park’s main entrance. Runners must present their bib to have access to this area. No spectators will be allowed in the Finisher Festival area which begins at the entrance of the Diamond Boardwalk. Please note you will not have access to the field from the Main Entrance to Canal Park, you must enter through the runner-only entrance located at the Diamond Boardwalk.

Race Day Parking & Driving Directions

Please note that we are expecting 13,500 runners as well as thousands of volunteers and spectators making their way to downtown Akron on race morning. You should plan to be in the downtown area NO LATER THAN 6:00 a.m. You will encounter road closures and delays any later than 6:00 a.m.

Color Coded Parking Map by Race Bib
Please reference the Downtown Akron Road Closure & Parking Map on page 22 for color coded parking by race bib. Please practice common courtesy and follow this carefully designed parking system and park in the designated decks/lot of your event as special care has gone into matching available parking spaces by participants for each event.

The routes below offer minimal road closing interference with directional signage to suggested parking. Additional signage will be placed downtown to direct foot traffic to the starting line, relay legs 2 and 3 as well as to the relay shuttles.

Important Addresses
