

Kids Fun Run Volunteer Instructions

Registration

- Register and/or check in runners. Every runner will get super hero wrist bands and a race bib.
- Direct parent to fill out emergency contact on back of child's race bib.
- The parent should then tear off the bracelet on the bottom on the bib and put it on. The bracelet has the child's bib number, so they can be matched up in case they get separated.
- Upon start of race, assist with cleaning up registration area.

Finish Line

Duties will be one of the following: medal, water, milk, or apple distribution or runner traffic control.

- Medal, water, milk or apple distribution: distribute item to runner once they have finished the race.
- Runner traffic control: direct runners as then cross the finish line through the finishers chute down into the park.

Start Line

- Assist with getting runners into corrals based upon age groups.
