

Recycle Steward Volunteer Instructions

Start Line

- Staff recycle stations in the Start line area.
- Ensure items are being disposed of in the appropriate boxes.
- Sort through waste to ensure items are in the correct bins.
- Take full recycle bags to appropriate dumpster (trash can be placed behind large blue recycle canisters) located on north side of parking lot across from Polsky deck.
- After the start area clears, take all signage off boxes and place on table at the information booth inside the Polsky parking deck.
- Empty all trash and recycle from the KAB boxes/wire containers. Save KAB boxes and place near recycle dumpster for city to pick up. Wire containers can be placed at information booth.
- Place clothing in Haven of Rest vehicle located in Polsky parking deck.

Finish Line

- Man the recycle stations inside of Canal Park. Ensuring waste goes into appropriate containers.
- There will be heatsheet and granola bar collection bins so these items can be sent to be upcycled
- Compost buckets for banana and apple peels
- Traditional trash and recycle bins for the remaining waste
- Cleaning crew will be around to replace any full containers
