

Start Line Volunteer Instructions

Volunteers will be working north of the start line, in a runner corral or with the elite runners. Duties will change throughout the morning.

North of the Start Line

- Move and place bike rack
- Manage pedestrian and spectator traffic
- Keep road clear for runners. Spectators often try to cross the street at the last minute

Runner Corrals

- Move and place bike rack
- Manage pedestrian/runner traffic
- Ensure only runners are entering corrals, no spectators
- After start of race, clean up corrals and prepare for runners coming back through at mile 12

Elite Runners

- Direct elite runners to warm up area
- Ensure only elite runners are entering warm up areas
- Direct elite runners to start line
