Bib Information

Make sure to pin your bib on the front of your shirt with the provided safety pins. This is crucial for accurate timing and the best race photos. Your race number is linked to your registration data, so it **MUST** be yours.

Participating under someone else's number could cause major problems for all participants and organizers.

Proper information on your bib will help medical staff identify and treat you if necessary, and it also guarantees that race results and awards are correct. And remember: take care of your bib! Any creases or cuts could ruin your timing device.

Don't forget to grab your race packet, including your bib, before the big day! The best time to pick it up is on Friday, June 27 from 11 a.m. to 6:30 p.m. This way, 8k participants can check out the race venue without worrying about lines on race day.

LOCATION:

James A. Rhodes (JAR) Arena
373 Carroll St, Akron

For out-of-towners, there's race-day Packet Pickup from 6:00 a.m. to 7:00 a.m. on Saturday, June 28. Just remember to double-check your bib info when you pick up your packet, and if you can't make it, a friend or family member can grab it for you (but they'll need to verify your information).

Packet includes:

- 1 Mile: race bib
- 1 Mile Stroller Division: race bib with identification bracelet for child
- 8k: race bib & shirt
- 8k & 1 Mile Challenge: race bib, shirt & pint glass

It is advised that 1 Mile participants arrive no later than 6:00 p.m. to pick up their packet to ensure on-time arrival to the start line.

Age Requirements

- 8k - 10 years and older
- 1 Mile - 5 years and older
- 1 Mile Stroller Division - 4 years and younger
 - All participants, including those being pushed in a stroller, must be registered.

START LINE

New Start Line Location!

The start for both the 1 Mile and 8k is located on the corner of Spicer St and Carroll St.

Start Time

The start of the 1 Mile will be Friday night at 7:00 p.m.

The 8k Start will be on Saturday morning at 7:30 a.m.

1 Mile Stroller Division

The Stroller Division will line up at the back of the corral and have their own separate start. Please note that the stroller division is not a competitive event. Your time will be recorded; however, racing competitively with a jogging stroller will not be tolerated for the safety of the child & all involved.

Starting Corral

For both the 1 Mile and 8k there will be one start line corral that begins at Carroll St and extends to Vine St. Pace signs will be along the corral indicating where to line up. Find an entrance at various points along the corral. Lining up by pace with faster participants in the front creates a smoother start for all. Participants that plan on walking should line up ahead of the Stroller Division, which will line up at the back of the corral. The timing mats are removed shortly after all waves cross the starting line. If you are not at the start line at this time, you will not have an official race time.

Wave Start

On Friday, the 1 Mile will start in 5 waves plus the Stroller Division, which will start last. There will be a 1 minute break between each wave to help reduce congestion.

On Saturday, the 8k will start in 5 waves. There will be 200-300 participants per wave. Each wave will be walked up to the start line, held for 1 minute, and have their own starting commands. Waves are based on pace.

Information

Information booths will be located inside the JAR Arena and at Coleman Common in the Finisher Festival. Please visit these locations for any race day needs.

Restrooms

Restrooms are located inside the JAR Arena (Packet Pickup location) and inside the Student Union (next to the Finisher Festival). Portable restrooms are also available next to the start line corrals and at the finish line.

SPECTATORS & ACCESSIBILITY

Spectator Information

For both races, you can catch the exciting start on Spicer St at Carroll St. Then, make your way through Coleman Commons, the Finisher Festival, to the finish line on Carroll St beyond the Student Union. Just a heads up: if you want to see your participant finish the 1 Mile on Friday, head to the finish line, located half a mile away, before the race begins.

Saturday morning only, visit any of the Food Truck options at the Finisher Festival. Food Trucks will be available starting at 7:00 a.m. until 10:00 a.m.

*Participants and spectators should choose a meeting location prior to the race, to meet up at after the race.

Please remember: spectators aren't allowed inside the participant-only start line corrals.

COURSE

Details

The 8k and 1 Mile courses are certified USATF sanctioned courses. The course is run on paved asphalt and concrete streets. Participants are responsible for knowing the course. Please note the 1 Mile will be Friday night and the 8k will be Saturday morning.

Provisions

Restrooms: At the Start and Finish Lines there will be indoor restrooms available inside the JAR Arena and Student Union. Additionally, there will be portable restrooms near the start corral and finisher festival. For the 8k only, along the course, portable restrooms will be located at each fluid station.

Fluid Stations: For the 8k only, fluid stations are located at miles 1.6 and 2.9. Lemon lime Gatorade will be first and water second. If you need fluids at different times, then it is recommended to carry your own fluid. There will be an area to refill bottles at the end of each fluid station. We do not recommend taking food or fluids from non-official locations.

Medical: Medical will be available before the start of each race. Look for medical personnel wearing red vests throughout the start area. There will be a medical aid station after the finish line to provide aid after the races. Summa Health will provide all medical assistance during this event. For your safety, it is important to print any specific medical needs and an emergency contact name and number on the reverse side of your race bib. For medical emergencies, an ambulance will be called to transport the participant to a local hospital. NSAID's (Non-Steroidal Anti-Inflammatory Drugs such as Advil, Aleve, Ibuprofen, etc.) are not recommended the few days before the race and will NOT be provided at the aid station. NSAIDs, especially in a dehydrated participant, can adversely affect the kidneys and can increase the risk of hyponatremia (low blood sodium). Tylenol will be available.

Course Limit

The 1 Mile course is open for 30 minutes. The 8k course is officially open for one and a half hours; equivalent to an 18:06 per mile pace. Times are based on when the last person crosses the Start Line. Those who fall behind course closure times will be asked to move to the sidewalk or board the SAG, end of race vehicle. The finish line and fluid stations will remain open following the 18:06 pace and close on schedule.

Prohibited

For the safety of our participants, the Akron Marathon does not permit: pets, skateboards, scooters, strollers (except in the 1 mile Stroller Division), baby carriers, bicycles, roller blades, or any other types of vehicles (other than official race vehicles) on the course. Except for approved service animals, pets are not allowed in the Start and Finish Line areas. Please do not bring or carry any of these items with you. The Akron Marathon reserves the right to disqualify and remove anyone from the course who has any of the above items or does not act in a safe manner.

Unauthorized Participants:

Non-registered participants are not permitted to run or walk within the boundaries of the official racecourse. Non-registered participants pacing a registered participant goes against USATF rules and could result in disqualification. It is important that family and friends NEVER cross the Finish Line or enter the finish zone which begins approximately 2/10 mile before the finish. Course monitors and police will be stationed throughout the course, ensuring only registered participants are on the course. Please be sure your race number is visible from the FRONT at all times during the race.

Signage

The course will be marked at each turn with cones and manned by police or volunteers. There will be feather flags located at each mile mark along the course.

FINISH LINE

You'll cross the finish line for both the 8k and 1 Mile and receive your commemorative medal.

On your way to the Finisher Festival you'll grab water, sports drink, and a banana before the post-race party! For the 1 Mile you'll also receive a bag of pretzels.

Lost and Found

All items left at the event will be taken to the Information Booth. Items will be held for two weeks following the event. The Akron Marathon is not responsible for lost items.

Race Photos

Don't forget to smile! Photos will be taken at the finish line. An email will be sent to participants the week following the race when photos are ready to be viewed.
